

PEERS Educational Consulting Services Menu

- ☐ Annual educational training sessions for newly hired employees
- ☐ Annual school district-wide educational training sessions
- ☐ Individual educational seminars per school
- ☐ Additional educational seminars per municipal employee group (police, fire, etc.)
- ☐ Individual financial planning services for your employees

[Please note-- A variety of seminar topics are available to choose from.]

Consulting fees for this suite of educational services are billed annually and may vary, depending on the number of employees in your district and the specific services selected.

This sample menu is certainly not all-inclusive. At PEERS, we recognize that each district will have unique needs to be addressed individually. We maintain flexible service offerings to ensure that your plan is custom-suited and designed for your organization.
